

HALLOWEEN HAPPENING

DEXTER PARKS AND RECREATION

Thursday, October 31, 2024
5:00-8:00pm
East Park

Our goal for this event is to provide a fun, safe environment for families to Trick or Treat. We are asking businesses to set up a 10x10 space, decorate it, and simply hand out candy. The candy you hand out can have your business name on it but other than that we just want a fun place for everyone to Trick or Treat for the evening. This is a great way for your community to meet your business. There is no cost to set up, just complete the form below and return to the park office. No business, organization or club can do any fundraising, drawings, or selling at the event. There will be a couple of food and snack trucks on site for the evening and Semo Selfie and Sound will keep us entertained. It will be a great community event, get signed up today!

Business Name: _____

Contact Person: _____

Address: _____

Email: _____

Phone: _____ Fax: _____

Booth Theme: _____ Electric Needed: YES NO
(Electric is limited, First come first serve)
