Photo Day with DPR:

-All players will be photographed individually on a green screen. That image will be used to make a composited (digitally created) team photo.

-There are no paper order forms or money exchanged the day of photos. Order through the online viewing and ordering platform.

-You will have the opportunity to view your child's photos BEFORE you order them. You will choose the pose you like, have the option to mix and match within your package or still just order individual items, if you choose to order. You will also have access to several other products.

-Payment is made online via debit/credit card and prints are shipped directly to your home. There is also an option for purchasing digital images with print release. If you do not have debit/credit card access, please reach out to the photographer so she can help you order photos.

Even if you do not intend to purchase, please bring your child so they may be included in the team photo that is created.

If you text your sport specific code (provided later) to the number 90738, you can see prices of prints and packages. You are NOT required to purchase at all, or to purchase a package.

Purchase a \$25 Advance Pay credit and receive \$5 off your order. Advance Pay credit is like buying a gift card for yourself, for photos. It's tied to your phone number and email and will apply automatically to your order once photos are done and you place it.

You may visit <https://tinysoulstudio.com/sports> for more information on how to order.
