

Our goal for this community event is to provide an experience for the community and draw people from the surrounding areas to our town. We are asking businesses to set up a 10x10 space and decorate it with Christmas lights. This is a great way for the community to meet your business. The only cost is $20 for the yard sign to be displayed at your area, just complete the form below and return to the park office. This is a free event for people to enjoy and can drive thru the park during the month of December and enjoy the light displays. Business, organization or clubs cannot do any fundraising, drawings, or selling during 31 days of lights. It will be a great community event, get signed up today!

Business Name: _____
