Be advised: All DPR sports are considered "contact sports". At some point, whether it be a practice or a game, players may experience physical contact from his/her coach or other players. This contact may take place as a coach teaches a skill that requires hands-on instruction, players are running drills against each other or it may simply be an act of praise. However, we do not tolerate aggressive physical behavior from our coaches.

Sponsorship: Available for all teams. Sponsorship is simply advertisement. The cost of the sponsorship depends on the sport due to the number on each team. Being a sponsor does not allow any special privileges. If you are interested in becoming a sponsor, please contact the park office.

Coaching: It is important that all coaches keep a proper perspective. If you are interested in coaching, please consider the following responsibilities as a coach: providing a safe physical environment, being an effective and positive communicator, being able to teach the skills and rules of the sport, be a positive role model. Other things to consider before coaching is that you will need to have a comprehension of the rule and knowledge of the game. DPR wants to provide everyone with an enjoyable experience, and we want to develop a player's fundamental skills, and get players to perform to the best of their ability. Please realize that all coaches for DPR volunteer their time. DPR coaches also have the responsibility to place players in positions and decide playing time in reference to the DPR rules for the sport.

Practices: Practices will be at the coach's discretion and will dependent on gym space. Games will be played on Saturday mornings and some weekday evenings depending on the number of participants registered.
